Article X: Contract Negotiations

A. Overview

The Bargaining Council is the liaison between the RCMs and the Negotiating Team. The Bargaining Council Executive Committee and the Negotiating Team seeks to determine the professional preferences of the RCMs and formulates the draft bargaining proposals. The Bargaining Council will review and may modify (create, delete or change) all draft bargaining proposals into the initial bargaining proposals for the Negotiating Team. Informed by the Bargaining Council, the voting members of the Executive Committee will set parameters for changes which they will consider acceptable. The Chief Negotiator and members of the Negotiating Team will not attend sessions of Bargaining Council in which initial bargaining proposals are being developed. If the Chief Negotiator is considering a substantial change (outside of acceptable parameters) to those articles approved by the Bargaining Council, then the chapter president must present the change to the Bargaining Council for their approval. For discussions about progress in negotiations, the president will periodically ask the Chief Negotiator and possibly members of the Negotiating Team to attend a Bargaining Council meeting. If the Chief Negotiator feels that the issue is of sufficient importance to all chapter members, the Executive Committee may initiate a poll of the Chapter members on that particular topic, and the Chief Negotiator will abide by the will of the Chapter members, as long as there is a response from at least 30% of the Chapter Members. The Negotiating Team negotiates a contract with representatives of the Wright State University Board of Trustees. During negotiations, the Chief Negotiator will present all tentatively agreed upon contract
proposals to the Executive Committee. If approved by the Executive Committee, these proposals will be communicated to the Bargaining Council for advice and their consent or suggested changes. The Bargaining Council Executive Committee shall submit to the RCMs the tentative negotiated contract for ratification.

B. Composition of the Bargaining Council

For Bargaining Council representation, the Colleges are the College of Education and Human Services, the College of Engineering and Computer Science, the College of Liberal Arts, the College of Nursing and Health, the College of Science and Mathematics, the Lake Campus, and the Raj Soin College of Business. Each of these will have a representative on the Bargaining Council. Colleges with twenty or more RCMs may have one additional representative for each twenty RCMs (that is, one additional representative for a College with twenty to thirty-nine RCMs; two for forty to fifty-nine RCMs; and so forth). The number of Bargaining Council members from each College will be determined by a count of the RCMs in each College made fourteen months prior to contract termination. A member of the Bargaining Council who will be unable to attend a Bargaining Council meeting may appoint a substitute single standing alternate RCM from the same College to attend that meeting. Both a member and his/her alternate may both attend Bargaining Council meetings, but in that instance the alternate may not vote.

C. Selection and term of Bargaining Council members

The Executive Committee shall publish the responsibilities of Bargaining Council members and shall call for nominations from among the RCMs in each college (named in X.B.) and the Lake Campus. If the requisite number of nominees is not generated, the Executive Committee shall endeavor to locate additional nominees among the RCMs of that college. If more than the requisite numbers of nominees is obtained from a given college, the Executive Committee will provide the RCMs of that college with a secret ballot to select the Bargaining Council members from that college. Candidates receiving the highest number of votes will be selected. The Initial Bargaining Council will be selected as soon after October 1, 1998, as possible. Each Bargaining Council will serve for the duration of the precontract period until a new contract is ratified. A new Bargaining Council shall be selected no later than twelve months prior to the termination of the current contract. The Executive Committee will replace Bargaining Council members who resign, fail to meet their responsibilities as indicated in Article X. D., or miss three consecutive Bargaining Council meetings; such replacements shall be sought from runners-up (if selected by election) or volunteers from the RCMs of that college.

D. Duties of the Bargaining Council and its members

1. to establish and maintain effective communication with the entire bargaining unit as defined in Article II. A. 2.
2. to survey the CB unit faculty with regard to collective bargaining matters in order to determine faculty desires and priorities.
3. to keep members of the bargaining unit informed as to the progress of the negotiations.
4. To familiarize itself with AAUP policies, procedures, reports, as well as with the process of collective bargaining and relevant collective bargaining agreements.
5. To make recommendations to the Negotiating Team regarding contract proposals, and their priorities and to assist in gathering the data necessary to support the recommendations.
6. To meet regularly-periodically with the Negotiating Team in order to assess progress, suggest strategy, and to generally assist in the entire negotiating process up to and including the ratification of a contract.
E. Duties of the Negotiating Team and its members

1. The Chief Negotiator shall advise the Executive Committee regarding selection of the members of the Negotiating Team.

2. The Chief Negotiator will work with the Executive Committee to survey the CB unit faculty (or regular chapter members) with regard to collective bargaining matters in order to determine faculty desires and priorities. Draft proposals for negotiations may be written by members of the Negotiating Team, the Executive Committee, or members of the Bargaining Council.

3. The Negotiating Team will assist the Chief Negotiator in gathering the data necessary to support bargaining positions.

4. The Negotiating Team prepares initial contract proposals based upon the wishes and priorities of the Bargaining Council.

5. The Negotiating Team negotiates in good faith a contract with representatives of the Wright State University Board of Trustees.

The Negotiating Team also has the option of forming research groups to provide supporting data for the Team's proposals or positions.

9. The Negotiating Team will not participate in negotiating sessions without the Chief Negotiator, nor will it participate in negotiating sessions without any other Negotiating Team members or extramural participants deemed essential for a given session by the Negotiating Team and Executive Committee.

10. During negotiations, the Chief Negotiator will present all tentatively agreed upon contract proposals to the Executive Committee.

11. Only the Negotiating Team is authorized to participate in contract negotiations on behalf of AAUP/WSU.

F. Contract ratification

1. Prior to the contract ratification vote transmitting a proposed contract to the RCMs for ratification, the Executive Committee shall distribute copies (either electronic or paper) of the contract to all RCMs and also make the contract available on the Chapter's website electronically. The Executive Committee will provide a paper copy of the proposed contract to any RCM upon request. If a mail ballot is used, a chapter meeting shall be called for the purpose of discussing the proposed contract one week prior to mailing the ballots to the RCMs. However, the chapter shall not take any action regarding the proposed contract. If the vote on contract ratification occurs during the summer months, the Executive Committee may elect to also accept e-mail responses, in lieu of paper ballots, from those members who are out of town.

2. When the Ohio Revised Code 4117 or other unusual circumstances requires a quick response of the members, the Executive Committee may call a meeting of the RCMs for contract ratification purposes (the meeting may last more than one day). In such a case, a secret ballot vote of the RCMs in attendance shall be permitted. Unless otherwise precluded by Ohio Revised Code 4117, a contract will be ratified if a majority of RCMs present votes in favor of ratification.

3. If a mail ballot is used, the chapter president will implement a contract ratification vote. Voting procedures will be according to Article VI. B1, with the possible exception of accepting electronic
ballots as outlined above during summer months. The chapter secretary and president will count the ballots in the chapter office at the time designated on the ballots, in the presence of any interested members of the chapter. The communication officer will report the results of the vote to the chapter. An affirmative vote for the proposal by a majority of RCMs casting a ballot shall constitute the bargaining unit's acceptance of the contract.

4. **Major modifications of the contract in the interim period between contract negotiations must be approved by RCMs, following the process outlined in X.F.3.**

   A contract approved by the membership of AAUP/WSU shall become binding when ratified by the Wright State University Board of Trustees.

5. The chapter shall comply with all rules and regulations of the Ohio State Employment Relations Board which are applicable to contract ratification and resolution of contract disputes.

**Article XI: Amendments**

A notice of the proposed amendment(s) including reasons and any known objections shall be sent to each RCM at least thirty (30) 15 days prior to the vote. The Executive Committee or a petition of ten (10) percent of the RCMs may initiate amendments.
