Instructions: Use this worksheet to help you evaluate sources for a college assignment. If you found the source using a library database, you can have more confidence that your source will meet many of the criteria on this worksheet. If you have found the source using Google or Yahoo, you will need to carefully ask the questions under each of the five criteria:

- **Currency**
- **Relevance**
- **Authority**
- **Accuracy**
- **Purpose**

**Currency:** The timeliness of the information.
