April 8, 2015 VOL. 3 **MESSAGE FROM THE DIRECTOR**

We are excited that the Spring is finally here and we have some awesome news to deliver. We have been meeting with a number of local corporations and I was honored to attend the Dayton STEM School Career Fair last month to meet the young generation. We are thrilled to break "ground" on the new DAVE lab this Friday, and to welcome our master students back to the next residency in early May along with our "Taste your Masters" event for potential students. If you have any questions or want to get involved, please do not hesitate to contact us.

---

### **Masters Program Discovery Event**

On March 20, 2015 the department hosted a Master Programs Discovery Event. We had a great turnout! Many prospective students stopped by the office to discover all about our programs.

## The Dayton Regional STEM School - Career Day

The Dayton Regional STEM School hosted a Career Day Event for on March 25th. Valerie Stueland, D. R. Fannin, and Amanda Spencer attended on behalf of the Raj Soin College of Business. Middle school and high school students participated and asked many questions regarding different fields of study. It was a busy and fun filled day for all who attended.
