Dear Mrs. Brown:--

I have before me your favor of October 4th. I am much pleased with your press notices and wish we could offer you some backing to organize in the vicinity of Cincinnati, but we are running our Committee on unmitigated cheek, or else I might say unparalleled faith. Money we have none, but we are keeping up our work in the hope that the speakers may get it in the field. We realize it is not fair to ask them to work for us with no better promises than we can give them. However, I wish your 20th. Century Club could organize Hamilton County. . . If it could not do anything else but establish study sections over the city, it would result in great good. If there is anything that we can do to help in this way we would gladly do it. We could send you some Prospectus of the Course of Study and furnish Constitutions and things of that sort. At any time we shall be glad to know you have accomplished something there. Whenever you organize a club be sure to report it to us that we may send to them our Bulletin which goes free to all clubs.

Sincerely yours,

Carrie Chapman Catt
