## Women's Future.

Will our wise seers pre-  
dict the future of men in  
business, in trade, in profes-  
sions, in politics? Well, <sup>then</sup>  
be a basis of prediction  
for the women of the future.  
Men and women move  
upward in the scale of  
progress as two branches  
of the same stock or stem.  
If American men are  
advanced as a whole  
above the average men  
of other countries it is  
because their mothers  
as well as <sup>their</sup> fathers are  
and freer, broader depa-  
rter in every respect.

Will women permit on the  
very threshold of their  
entrance to the great activities  
of a well-balanced life?  
Not the Anglo-Saxon wo-  
men. They feel all the  
strong pulsings of a potent  
birthright
