The First Destination Survey was administered to students during the first year after graduation from Wright State University. The survey was emailed to all students who graduated between July 1, 2019, and June 30, 2020 (Summer 2019, Fall 2019, and Spring 2020). All data are self-reported by the respondent at the time of the survey completion. For some occupations, the State of Ohio may require additional licensure/permits beyond a college degree/credential. For a list of additional requirements/permits, visit https://ohio.gov/wps/portal/gov/site/jobs/resources/licenses-and-permits

Reporting Methodology: Data are reported for respondents who completed the survey for the semester in which they graduated. For respondents who may have completed more than one survey (i.e., earned degrees in more than one semester during the reporting time frame), data from the latest completed survey are reported. Degree/credential and college-level data are reported for the highest degree/credential earned and by first major.
