## V. Old Business

- A. Approval of Wright State Graduate Faculty and Council Bylaws. See Attachment "G" of the Agenda for October 5 Meeting of the Academic Council, as amended by Miss Strausbaugh in Attachment "F" of the October 5 Meeting Minutes.

Mr. Milheim moved to adopt the Graduate Council.

Miss Strausbaugh moved to amend:

Section III to add--

- "3. One student from the graduate student constituency of each appropriate academic division, to be selected by a means determined by their Division."

Section IV to read--

- "1. Faculty members of the Graduate Council serve....."
- "2. The term of office of faculty members begins....."
- "3. Faculty members who serve....."

Section IV to add--

- "4. Student members of the Graduate Council serve one-year terms."
- "5. The term of office of student members begins January 1 following their selection."

Discussion:

Dr. Milheim reported that the Graduate Council had acted to endorse participation, but not membership on the Graduate Council. This action was based on the fact that many faculty who are not members of the Graduate Faculty are ineligible for membership. It was also unclear as to what could be gained by having students on this Council. Several felt that the students can make significant contributions to the Graduate Council. A question was raised about the number of constituencies involved. There is no formal Graduate student organization on a university level, but there are graduate student inputs on the program level. The number of full-time students who would be potential representatives is limited.

The definitions of constituencies was questioned. It was clarified to mean a representative from each academic division. The mechanisms for selecting the participants is important and these mechanisms do not exist.

Motion to amend failed.

Mr. Campbell moved that Section I, 4 be amended to remove all wording in that item after "meet academic standards".

Dr. Milheim reported that the Graduate Council had rejected Mr. Campbell's amendment.

Motion to amend carries.

The question was asked regarding qualifications of a person to be approved by Graduate Council. The Graduate Council usually accepts the recommendations of the department.

Mr. Cox moved to amend Section III by adding:

3. Inclusion of students members when the mechanism can be instituted.

Amendment fails.

It was pointed out that amendments to the Bylaws of the Graduate Council must be ratified by the Academic Council.

Motion carries. (Revised Bylaws - See Attachment F)

- B. Mr. Batra moved, for the Curriculum Committee, approval of proposed new B.A. requirements for Science and Engineering. (See Attachment "A" of the Agenda for the November 2 Meeting of the Academic Council, page 4.)

Discussion:

Foreign Language requirements are a departmental requirement. The General Education requirement contains the only requirements for courses from the Liberal Arts Division. Questions were raised concerning the use of the term Arts degree under the above condition. The suggestion was made to eliminate the use of the term "softer" in reference to degree requirements and to make certain grammar adjustments in philosophy sections.

Motion carries.

VI. New Business

- A. Mr. Batra moved, for the Curriculum Committee the approval of addition of courses contained in Attachment D of these minutes.

Liberal Arts 211 and 411 were excepted.

Motion adopted.

Since the time limit had been reached, the Chair extended the meeting for 15 minutes.

- B. Mr. Batra moved, for the Curriculum Committee, to approve the deletion of courses indicated in Attachment D of these minutes.

Motion adopted.

VII. The meeting adjourned at 5:40 p.m.
