Resident Director

Mr. R. J. Stauffer is the dedicated resident director of Western Ohio College. The long hours of work and the many things he does for the benefit of his students and the college are truly appreciated. Thank you Mr. Stauffer!

Secretary-Business Manager

No one could help but notice the bright efficient atmosphere of the office this year - this is due, of course, to the efforts of Mrs. Mary Alice McDermitt. Not only does she operate the business end of the office efficiently, but she is always ready and willing to talk to anyone about whatever is bothering them. Although she likes to refer to herself as "diabolical" perhaps the best way to describe her is friendly, understanding and "not uptight." Thank you, Mary Alice.

Office Help

Assisting Mrs. McDermitt in the office and aiding Mrs. York in the library are Janet Hess (bottom left) and Linda Thurston (bottom right). Thank you Janet and Linda for your reliable help!

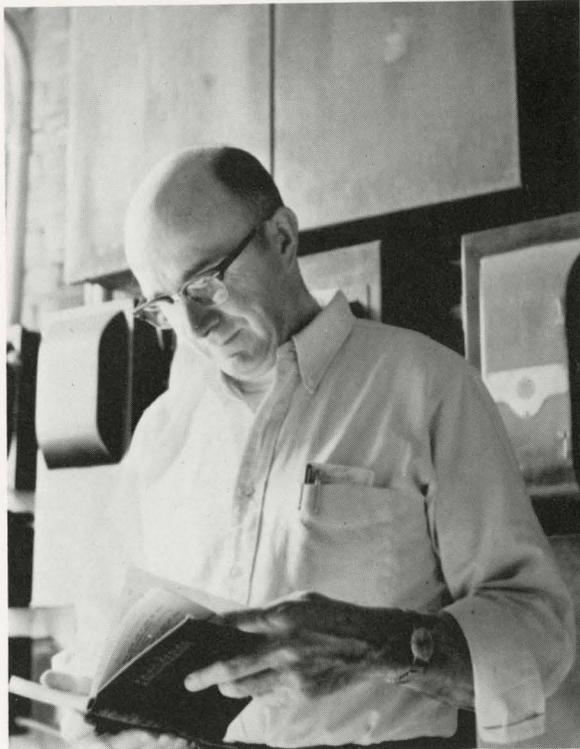

Library

Mrs. York has been with our school for two years. During these two years she has been of great service to the faculty and students. We would like to thank Mrs. York for her attention to our needs.

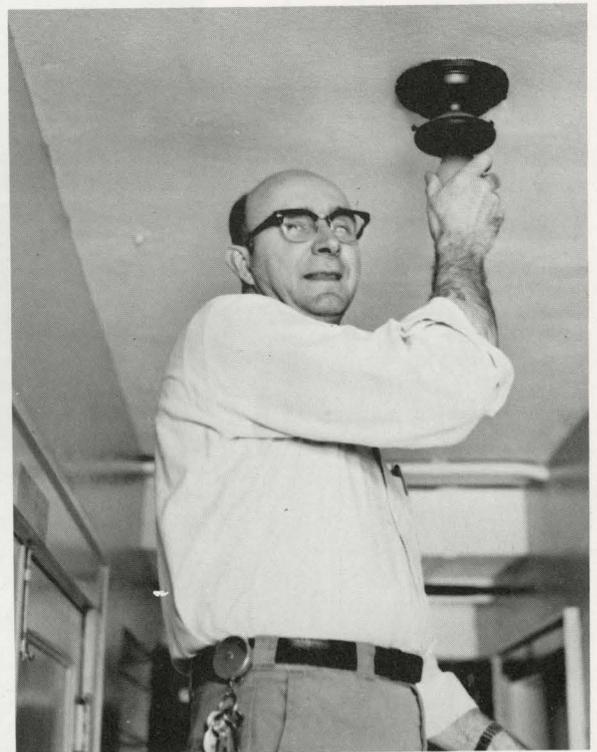

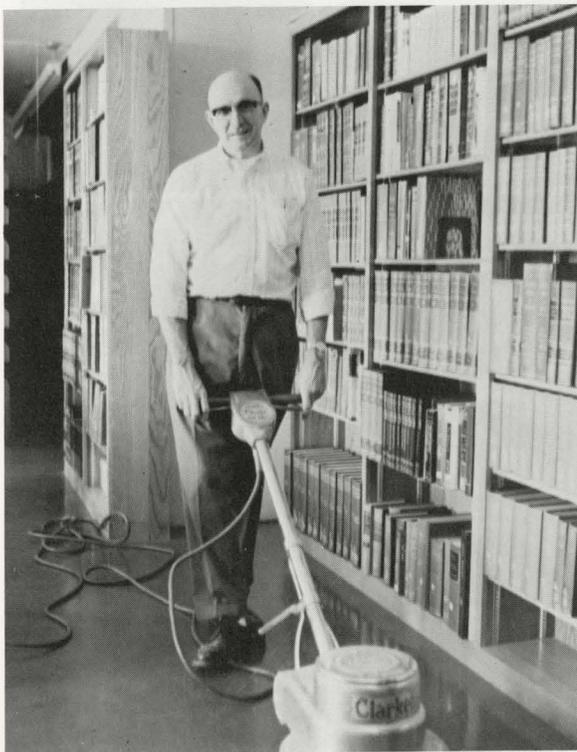

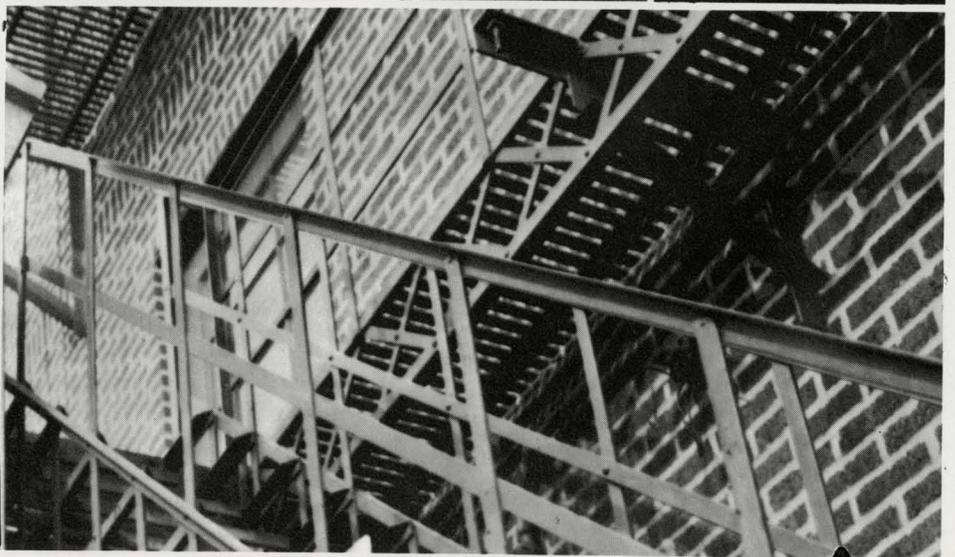

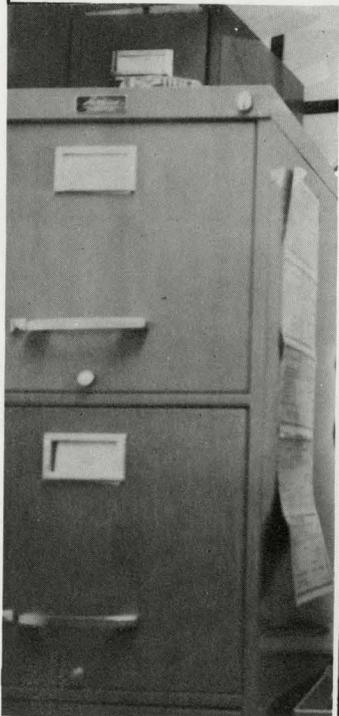

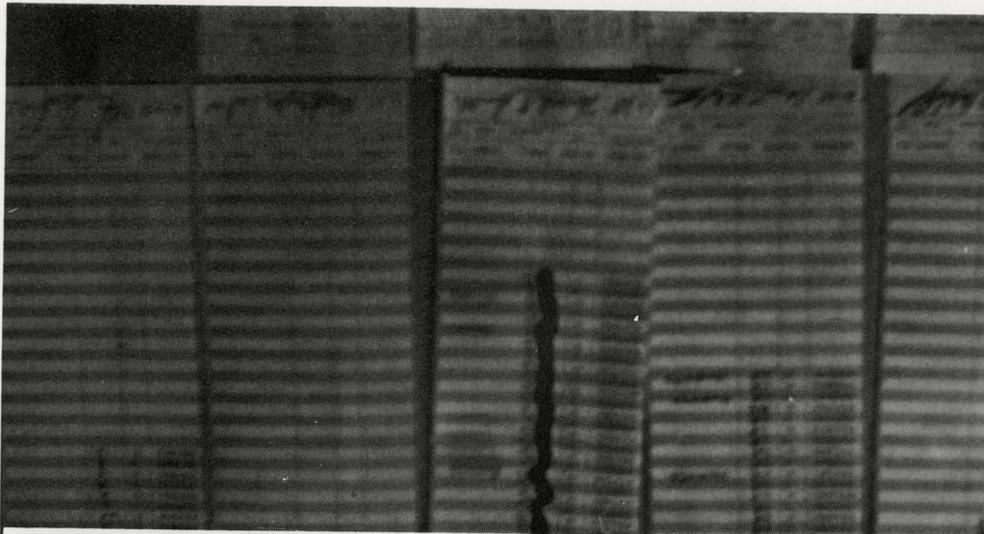

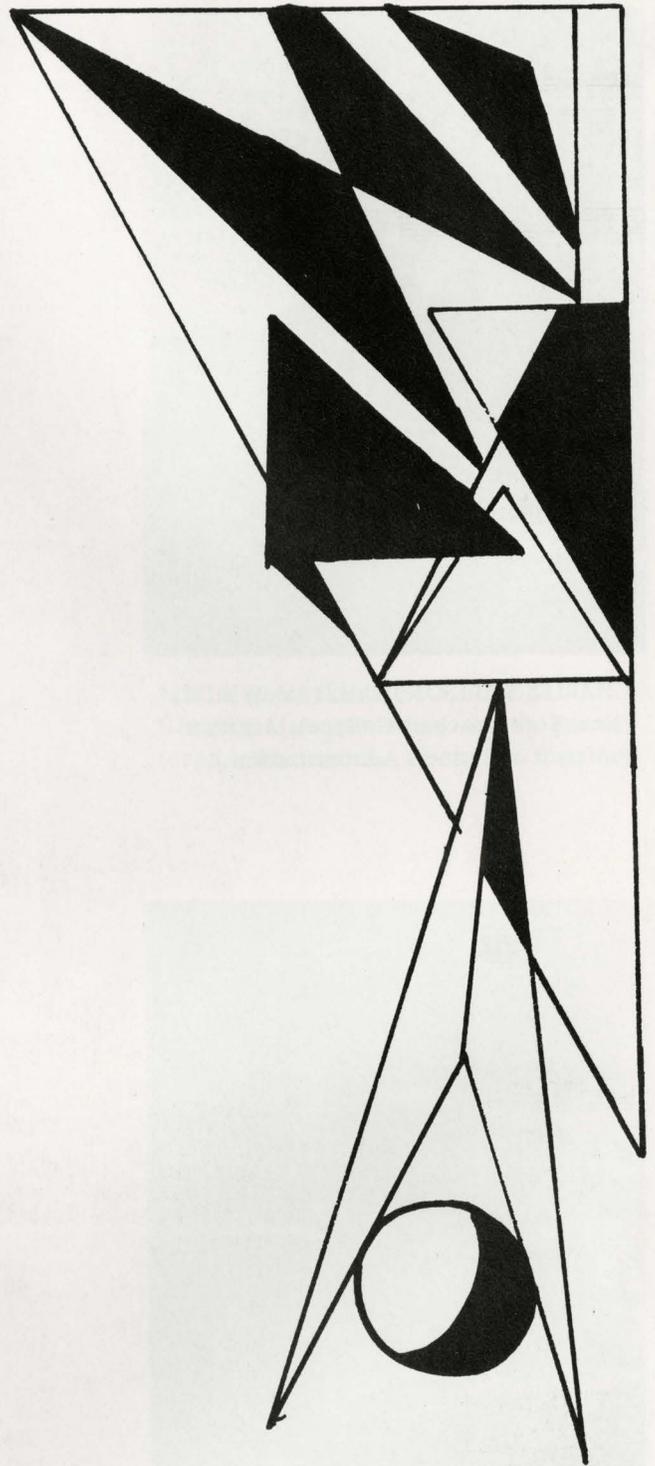

Charlie

For many years Charlie Searight has been the janitor, maintenance man, and general handy man for Western Ohio College.

Although many students never see him, his careful attention to our school is obvious. Thank you Charlie for a job well done.

Yearbook Staff

The yearbook is finally completed and we the editors would like to extend our thanks to all who have helped in this undertaking throughout the year. Before we thank anyone in particular it should be noted that many who were not directly related to the "Reflection" Staff have helped indirectly - through their cooperation and understanding in regard to our task - for this we are truly indebted and thankful.

In particular we would like to thank Al Bonilla and Dave Brown, who gave up many hours of their time to take student pictures and candid. And a special thanks to Al for his help with the art work.

Also, of course the Yearbook Staff, the real "backbone" of our work this year, deserves much credit - their work in organizing the tremendous amount of pictures, writings, etc., has been invaluable.

Although the work has been at times arduous and nerve-racking, overall it has been a very rewarding experience, in which we are proud to have served a part.
