### Differentiated Learning

**Enrichment Activity:**
- You are a sailor on Vasco de Gama’s voyage of 1497. Write two different diary entries that express your hopes and fears about the voyage. Ask questions such as: How did you decide to go on this voyage? What did you hope to see or do? Did you have second thoughts when your ship lost sight of land? Why?

**Additional Instruction:**
- Have students draw this diagram in the center of a sheet of a sheet of paper.

```
<<<<<<<--------------------->
The Americas                  Europe
<--------------------->>>>>>>
```

Above the top (left facing arrow) have them record names, dates, and other facts they think should remember about early European explorers with the Americas. Beneath the bottom arrow (right facing) have students record key details about the effects of that contact on Europeans. Invite students to compare and comment upon one another’s lists.
### Social Studies Skills and Methods:

**A.** Obtain information from a variety of primary and secondary sources using the component parts of the source.

1. Obtain information from a variety of print and electronic sources and analyze its reliability including:
   - accuracy of facts;
   - credentials of the source.

### History:

**B.** Describe the cultural patterns that are evident in North America today as a result of exploration, colonization and conflict:

3. Explain why European countries explored and colonized North America.

### Core Activity

Students explore some of our country’s “founding myths” and legends. Is the story true or false?

Find the entire lesson on the Web site: [http://www.pbs.org/wnet/newyorklaic/lessons/e1_t5-lp.html](http://www.pbs.org/wnet/newyorklaic/lessons/e1_t5-lp.html)

**NOTE:** To find the Web pages for Episode 1 that the lesson refers to, follow these steps from the lesson plan Web site:

1. Click on the link to the homepage (it’s at the top left corner where it says “Learning Adventures in Citizenship”).
2. From the homepage click on “Exploring the Learning Adventures.”
3. Use either the link in the picture that says “Episode 1 1609-1825” or the link under the pictures that says “Episode 1.”
4. Click on topic 5 (it’s the top book shelf or the link at the bottom that says “Topic 5”).

### Interdisciplinary Connections

**Literature**

**Language Arts**

### Differentiated Learning

**Enrichment Activity:**

- Have students work in small groups to create a bulletin board display of the Columbian Exchange. One group might prepare an outline map of Europe and the Americas, showing the path of exchanges. Some
groups can research and illustrate specific exchanges of plants, animals, medicines, clothing, and languages. Other groups can prepare a balance sheet that evaluates which groups benefit most from exchangers in particular areas overall.

Additional Instruction:

- Ask students to brainstorm about what they would want to know before setting off on a trip to a place they had never visited before. Ask what feelings they might have about such a trip and what risks might be involved. Then discuss what information they think Columbus had before setting out on his journey, how he might have felt, and what risks he faced.

Have students write a letter to Ferdinand and Isabella explaining why Columbus wants to sail west from Europe, what he hopes to find, and why he feels he is qualified to make the journey. Have volunteers read their letters to the class.
