## DEAN'S MESSAGE

Thomas L. Traynor, Ph.D.

I want to begin by expressing how much I appreciate the support from our many stakeholder groups for the administrative actions that I have undertaken on behalf of the college. As my title transitions from interim dean to dean, I will continue to do all I can to further advance the already significant impact that our college has on its students and the community.

In developing each month's newsletter, identifying worthy stories is easy while selecting which ones to feature is the difficult task. Please know that these are but the tip-of-the-iceberg of countless success stories that the Raj Soin College of Business has been instrumental in forming. Please share these stories with your family, friends and co-workers in order the help more people understand how impactful our college has been.

A handwritten signature in black ink, appearing to read "Thomas L. Traynor". The signature is fluid and cursive.
