Toledo, O.

July, 1910

Dear Friend:-

You will probably remember that at the last State Convention held at Elyria, we decided that the next State Convention, being the twenty-fifth anniversary of our existence, be made a Silver Jubilee.

As the time for this meeting is drawing near, (the constitution fixes it for October, but the exact date has not yet been set) I write to remind you that an extra effort will be necessary on behalf of every club and every member of the organization, to make the convention a success.

At a meeting of the executive committee held in Cleveland June 1, it was decided to ask each club to bring up its membership to 25 or some multiple of 25 according to the size of the club; also that we form 25 new clubs, and lastly that each club bring to the State Convention an offering worthy of the Silver Jubilee.

Ohio was one of the first states to take up the suffrage movement, yet today we are far behind other states. I trust that you will do all you can in your own club and in your own city to make the Silver Jubilee a success, and plan to come to the convention.

Will let you know as soon as the time and place have been definitely decided.

Yours for the Cause,

Pauline Strinem
