AT A GLANCE

Wright State University, located 8 miles northeast of downtown **Dayton, Ohio**, serves more than **10,000 students** and offers 315 undergraduate, graduate, doctoral, and professional **academic programs** through six colleges and a medical school. The university also operates a branch campus, **Wright State University–Lake Campus**, on the shores of Grand Lake St. Marys in Celina, Ohio.

Wright State was named to honor aviation pioneers **Orville and Wilbur Wright**, who invented the world's first successful airplane in their Dayton bicycle shop. In fact, the Wright brothers conducted most of their early test flights at Huffman Prairie, just minutes from our Dayton campus.

MISSION

Wright State University empowers all students to excel in their lives and chosen careers through integrated learning, research, innovation, and experience.

VISION

To be a diverse, inclusive university that positively transforms the educational, economic, and social fabric of the communities Wright State University serves.

(Mission and vision statements approved by Faculty Senate, February 14, 2022.)
