New Advisors

Please welcome **Paul Harding**, our new academic advisor! Bio: Paul is a native Ohioan, craft coffee enthusiast, Enneagram 5, and trivia geek. His undergraduate background in Spanish and Intercultural Studies gave him a deep love for trying to understand others. During grad school, he did an experiential learning program in Palo Alto, California where he learned community development by doing while taking classes. His recent research has been into online streaming communities, primarily on Twitch, where he streams and is active in chat. He's been married for almost five years to Elizabeth, who will probably convince him to get a cat someday.

Please welcome **Amanda Horrocks**, our new academic advisor! Bio: Amanda was originally from Canandaigua, New York. She holds a B.A. in

Psychology and an M.S. in Higher Education Administration with a concentration in Student Affairs from the University of Rochester.
