Ohio Woman Suffrage Association

~~Office of the Treasurer~~

Warren, Ohio.

May 27, 1913.

Dear Club President:-

By this same mail we are sending you the Year Book of the Ohio Woman Suffrage Association which gives a report of the campaign including the financial statement. We regret very much that we were not able to publish reports from the various local clubs. The condition of the treasury was such, however, that we could not afford to do this. I am going to urge that you have a meeting of your club to read this report in full even if you are not having regular meetings at this time. I feel very sure that reading the report will prove an interesting feature. The information is such that all suffragists should have it, it will certainly add to their interest and they will be more likely to help in the present campaign. If you want extra copies of the report you may have them on application.

With best wishes and hoping to hear from you often, I am,

Yours most cordially,

Harriet Taylor Upton.
President.
