Introduction

The 1980 Student Profile contains demographic data on students enrolled at Wright State University for the Fall Quarter 1980. Information is also included on degrees awarded for the previous year. The fall quarter enrollment of 15,635 students is the largest enrollment in the university's history and is an increase of 6.1% from a year ago.

Only data of general interest to the university community were selected for publication. Persons interested in obtaining additional information may contact the Offices of Student Information Systems.

Changes in Student Travel To and From the Main Campus

The introduction of RTA bus service this fall provides an alternative means of transportation to campus. An increased number of students are utilizing the free parking in K lot. With an increase of 600 students attending class on the main campus there are 222 fewer parking spaces adjacent to the buildings.
