Song #1 We're Gonna Roll

(Sung to the tune of "Roll the Union On")

Chorus: We're gonna roll, we're gonna roll,  
We're gonna roll the union on.  
We're gonna roll, we're gonna roll,  
We're gonna roll the union on.

Verse: And if the dean gets in the way, we're gonna roll right  
over him,  
We're gonna roll right over him,  
We're gonna roll right over him,  
We're gonna roll the union on.

For additional verses substitute for "dean" other friendly  
figures like the chairman, the president, the trustee,  
the parents, the students, the scabs, the finks, etc., etc.

Song #2 My Daddy was a Professor (Sung to the tune of "Which  
Side Are You on?")

Chorus: Which side are you on? Which side are you on?  
Which side are you on, brother? Which side are you on?

(Note: Verses marked \*\* can be sung by anti-union people.)

Come all you good professors, good news to you I'll tell,  
About how the teachers union has come here to dwell.

Listen to me students, listen to my plea,  
Support the teachers union for all the deans to see.

I finked for the deans, but now I see the light,  
I've joined the teachers union and will help them with their fight.

Oh, professors please tell me, please tell me how you stand it?  
Will you be a lousy scab, or will you be a man?

They say at Wright State U., there are no neutrals there,  
You'll either be a union man or covet a chair.

My daddy was a professor, and I'm a professor's son,  
I'm sticking with the union till every battle's won.

Let's all join the union, let's work to keep it strong,  
Let's all march together and raise our voice in song.

\*\* My daddy was a dean, and I'm a dean's son,  
And I'll stick with the administration till every battle's won.

\*\* Don't join the union it's not professional,  
Just do your teaching, that's real professional.

\*\* Let the deans administrate, let them do their work.  
Don't meddle in their business, don't you be a jerk.

\*\* Don't join the union, don't join those reds and pinks.  
They're not real Americans, that's what HUAC thinks.
