Song #3 The Union Professor (Sung to the tune of the
"Union Maid" which is sung to the tune of "Red Wing")

There once was a union professor who never was afraid
Of goons and ginks and administration finks and associate
deans who made the raid.
He went to the union hall when a meeting it was called,
He'd show his card to the dean's red guard and this is
what he'd say...

Chorus: Oh, you can't scare me, I'm sticking to the union,
I'm sticking to the union, I'm sticking to the union,
Oh, you can't scare me, I'm sticking to the union,
I'm sticking to the union till the day I die.

This union professor was wise to the tricks of administration spies.
He couldn't be fooled by administration stools, he'd always
organize the guys.
He always got his way when he struck for higher pay.
He'd show his picket in the administration thicket, and this
is what he'd say ...

You gals who want to be free, just take a tip from me.
Get you a man who's a union man and join the ladies' auxiliary.
Married life aint hard when you've got a union card,
And a union man is a happy man when he's got a union wife...

Song #4 Get Thee Behind Me Satan (Sung to GTBMS)

Chorus: Get thee behind me Satan, travel on down the line.
For I'm a union man, gonna leave you behind.

I belong to the union and that's the only way,
if any one tempts me this is what I say ...

My chairman came to me with a lot of praise,
Said, "Leave the union get a five hundred dollar raise." ...

The Dean came up to me with a big commotion,
Said, "Fink on the union, boy, and get your promotion." ...

The Dean came up to me slimy as a toad,
Said, "Leave the union, get a lower teaching load." ...

The Provost said to me as man to man,
"Leave that union and you'll be chairman." ...

The President of the school took me out to dine,
Said, "Join the administration, leave the union behind." ...

The Chairman of the Board was playing on his flute,
Said, "Leave the union, you can have your institute." ...

The Governor of the state was feeling mighty swell,
Said, "Before I'd recognize your union, see you all in hell!" ...

The state legislature was felling mighty bad,
They cut our budget and that all made them glad. ...
