improve your college life . . .

**Phi Kappa Tau at
Wright State University**

What Is a Fraternity?

The fundamental reason for coming to Wright State is to obtain an education. But a well-balanced education doesn't come entirely from books, and that's where Phi Kappa Tau comes in.

We have two objectives...to develop, through actual leadership and business experience, those qualities which will help you in your chosen field...and to provide an environment where you experience close personal relationships and find life-long friendships.

Phi Kappa Tau strives for academic excellence while stressing the traditional values of our fraternity...friendship, small-group living-learning atmosphere, a sense of belonging, individual growth, and worthwhile human experiences.

Why Phi Kappa Tau?

Phi Kappa Tau offers you the opportunity to add an extra dimension to your college career by getting involved! Consider the exciting experience of joining a fraternity on the Wright State campus...a chance to build and improve an organization that encompasses the principles you feel are important. Instead of following traditions, you will be building them. Phi Tau opens the door for you to interact with other men to achieve common goals and to share common experiences.

◆KT Across the Nation

Phi Kappa Tau was founded at Miami University, Oxford, Ohio, on March 17, 1906. Conceived by a group of four men. ◆KT is the fourth of five national fraternities to be founded on the Miami Campus.

One hundred twelve chapters have been chartered in 35 states from New York to California, from Minnesota to the Mexican Border. Phi Kappa Tau is among the 25 largest social fraternities in America.

Phi Kappa Tau offers you something extra because you're important.

The Membership Orientation Experience

Eliminated from Phi Kappa Tau's "total program for the total man" is the traditional pledge period. Hazing is forbidden.

Instead we utilize a program to encourage better man-to-man relationships. This creates an environment of improved communications and human understanding and influences the learning-growing experience.

We believe your time is too important to be wasted with a period of second-class citizenship. The alternative we offer is a comprehensive orientation to our fraternity and its programs, leadership development, a beautiful and inspiring ritualistic experience, and a continuing human development program as a fraternity member.

You and Phi Kappa Tau

Even though you will make life-long friendships within the fraternity, you will find the real value of Phi Tau is learning how to be a good friend.

The enjoyment of being a contributing part of a progressive group...the feeling of brotherhood derived from working and living together...a sense of fulfillment you will cherish long beyond your college years...are awaiting you in Phi Kappa Tau!

If you are interested in finding out more about the Phi Kappa Tau fraternity, there will be an introductory meeting September 20, 1976, at 7:00 p.m. in the University Center. Just fill out the form, detach it from the brochure and mail it. No postage necessary.

We look forward to hearing from you.
