May 31, 2018 - From the President's Desk

It is the exemplary work of our staff and faculty that allows Wright State to meet its mission to transform the lives of our students and the communities we serve. Especially with the challenges we face, we want to recognize the outstanding contributions of our staff.

With that in mind, it is time to nominate deserving staff and units for the 2018 [President's Awards for Excellence \(PAFE\)](#), which recognize classified staff, unclassified staff, and outstanding units and collaborative units on campus. We genuinely appreciate your participation to help give the award winners the credit and recognition they deserve.

Nominations may come from staff or faculty for candidates who may be from your office or division or those who represent other areas of campus that you have worked with in the past year. The nomination process is time sensitive, and we, along with the deserving candidates, appeal to your desire to identify the best representatives to receive these awards.

Visit the PAFE website for more information on the nomination process and [award categories and criteria](#).

[Online nominations are now being accepted.](#)

The deadline for all submissions is Friday, June 29, 2018.

After the nomination period has closed, an award committee will be formed to review the nominations and make recommendations to me.

Thank you for your attention and support of the PAFE program and for taking the time to play a direct role in making Wright State University a great place to be!

Warmest regards,

Cheryl B. Schrader, Ph.D.
President
