COMMITTEE MEETING ON ATHLETICS FOR WRIGHT STATE/COMMITTEE ON STUDENT
AFFAIRS

IDEAS: Possibly use guitar for songs.

Committee members straggle in singing "Committee Song"

Dialogue may involve arguments between factions of the committee who want intramurals, intermurals, and a group of downtown boys who are lobbying for a big-time team which will be acquired by giving business administration scholarships to talented players.

Possibly women could be worked into this skit as a student lobbying group pushing for women's intermurals (e.g. female lobbying song enclosed).

One joke idea: one professor might say something like this: He feels that the annual student faculty games are quite enough sports for WSU, to which another professor could retort that the field lately seems to be getting too long and the professors too wide?? Corn!

Dialogue or songs could be read under the guise of committee notes.
