THE PULSE

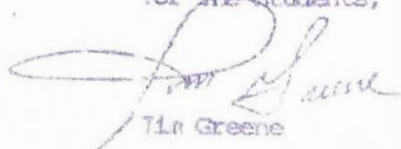

AREA OFF - THE GR
STUDENT
GOVERNMENT

THE PULSE has been taken from Wright State's University Community and it is very rapid! The University Community, students, faculty, and administration, is gearing up for some powerful moves in the committee course work, policy, and most importantly, structure. As yet it would not be appropriate to presuppose too many things, yet one fact is evident, the Student Community must be ready and willing to unify at any time in order that our concerns and issues can be voiced from the student perspective!

The new provost has moved quickly and efficiently in establishing or rather extending his working framework. Faculty has justifiably moved into the arena of voicing their grievances and concerns, especially with the creation of this policy planning board which in note does not include direct student input. Also it would seem the faculty are not totally pleased with the committee structure in proportion to the number of students, faculty and administrators. Hopefully mutual support can be mustered in these areas of concern. Currently, the energy of Student Government is focused on three things: 1) The K-Lot Shuttle Service 2) Letter Campaign and Rally 3) Book Co-Op.

Students, we have a major concern--SUPACRE-. I urge you to support any student organization that you can. Whether it be the Baptist Student Union, Black Caucus, Circle K, Greeks, Hamilton Hall Board, Inter Club Council, International Students, Marketing Club, Preserve our Planet, University Center Board or any student group or club. This is your University, be a part of it. Take an hour or two and become involved!! October 30 is the first student rally and has been titled "For The Students". Please take one hour of your busy day at 12 noon to support this rally. This newsletter is the first of many to keep you in beat with the pulse of W.S.U.

For The Students,
