Chair's Message

for surgeons to provide self-care.

The American College of Surgeons (ACS) has a new member benefit, the surgeon well-being index. Each ACS member, including residents and medical students, is given a code to log in and evaluate their current state. If there are areas for improvement, local and national resources are accessible from your score report. As we become more aware of the issues surrounding burnout for surgeons, this is a useful and confidential resource

Recruitment

We are recruiting for acute care surgeons. If you know of an appropriate candidate, please contact Sandhya Shenai at Sandhya.Shenai@wrightstatephysicians.org.

Faculty

Caroline Cao, Ph.D., who has a secondary appointment in the Department of Surgery was awarded a prestigious Fulbright Scholar fellowship to work in Vietnam. For the full story, please see the Wright State University newsroom.

Congratulations to **Dr. A. Peter Ekeh** on his election to the Board of Trustees at Premier Health/Miami Valley Hospital!

Zaiba Malik, M.D., went on a trip to India to teach modules at an orphanage and local village school. She has an appointment in the Department of Surgery and specializes in ophthalmology.

Priti Parikh, Ph.D., Division of Research and Education, has been promoted to Associate Professor of Surgery, effective July 1, 2017. Congratulations, Dr. Parikh!

Joon Shim, M.D., was featured in HealthScene Ohio on February 2. For the full article, please see: healthsceneohio.com/write-advice/bariatric-surgeon-discusses-lower-risk-weight-surgery/

Education

Bariatric Symposium: Comprehensive Approach to Weight Loss

Front: Dr. Joon Shim (left), Dr. Dene Berman

Back: (left to right) Dr. Siva Vithiananthan, Kellie Armstrong, Dr. Joe Northup, Dr. Mujeeb Siddiqui

The Wright State Department of Surgery hosted a bariatric symposium on Saturday, March 4, 2017, "Comprehensive Approach to Weight Loss," at Miami Valley Hospital Beiser Auditorium. Local and regional speakers provided training for this event. WSU designated this live activity for a maximum of 4.25 AMA PRA Category 1 credits. Over 60 attendees registered for this event. A big thank-you to all who helped organize this symposium and especially Dr. Joon Shim who led the effort. With your help, this event was a big success.

If you have any information you would like to share with the other members of the department, or professional or special events happening in your life, please e-mail Lynne at Lynne.Buckingham@wrightstatephysicians.org by the 15th of the month. The Faculty and Staff Update will be e-mailed the first of the month.

Residents

Welcome military interns for 2017-2018!

Micha Ancheta – Kansas City University of Medicine and Biosciences
Savannah Jones – Marian University College of Osteopathic Medicine
Don Vongviphut – Rowan University School of Osteopathic Medicine
Kyle Harris – Michigan State University College of Osteopathic Medicine
Daniel Kirkpatrick – Creighton University School of Medicine
William "Tony" Pinette – Loma Linda University School of Medicine
Rachel Yuen – Tulane University School of Medicine

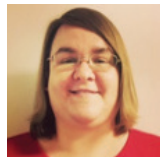

Match day was March 17. We look forward to welcoming our incoming residents!

Students

The Surgery Club sponsored a laparoscopy lab for first- and second-year medical students. Nearly 20 students participated in a skills lab at the Brethen Center organized by Joon Shim, M.D. Students had the opportunity to practice knot tying, peg transfer and suturing while using laparoscopic tools. Thank you to Chief Resident Kyra Dawson, D.O. and Kelly Thobe, P.A., for their assistance with the lab.

Staff

Please welcome Trista Smith to the department as our new Surgical Education Specialist. Trista holds dual master's degrees from Wright State University in the areas of anatomy and public health. She completed her internship in the Department of Population and Public Health Sciences at Wright State University Boonshoft School of Medicine, where she became involved in curriculum development and helped to develop an award-winning Global Health curriculum. Her most recent publication focused on child and maternal health and investigated female genital mutilation in Somaliland, Africa. Her current research is focused on investigating best practices in online learning and pedagogy. She is currently an adjunct faculty at WSU, where she has taught both undergraduate anatomy and physiology and global health courses. Trista can be reached at 208-4596 or trista.smith@wrightstatephysicians.org. Stop by and introduce yourself the next time you see her. Welcome Trista!
