1. The FAC decided to hold an unscheduled meeting as there appeared to be no progress on the non-BUFM workload document based on Dr. Limouze's response. The FAC reviewed the workload document received in February from the Council of Deans and after a vote was taken, a decision was made to use this document as a template for the draft. The FAC will circulate this draft to non-BUFM within their own respective colleges for input and submit the final draft to Dr. Limouze as soon as possible.
2. There was discussion regarding how non-BUFM can provide service and teach the suggested 4/4 workload. One possible solution would be to provide an alternative route by way of teaching excellence. Objective evidence and processes for this would need to be established.
3. The next meeting is scheduled for Thursday, Nov 17th.
