Permission Statement from ELNEC

The End-of-Life Nursing Education Consortium (ELNEC) Project is a national end-of-life educational program administered by City of Hope National Medical Center (COH) and the American Association of Colleges of Nursing (AACN) designed to enhance palliative care in nursing. The ELNEC Project was originally funded by a grant from the Robert Wood Johnson Foundation with additional support from funding organizations (the National Cancer Institute, Aetna Foundation, Archstone Foundation, and California HealthCare Foundation). Materials are copyrighted by COH and AACN and are used with permission. Further information about the ELNEC Project can be found at www.aacn.nche.edu/ELNEC.
