Minutes

- I. The meeting was called to order by the Chairman pro-tem Provost Andrew Spiegel at 3:10 p. m.
- II. The Minutes of the December meeting were approved with the following corrections:

p. 3, VI. (2) following fifth paragraph as sixth paragraph add "Amendment passed"

A request was made for background data related to President Golding's apology to the Council and Dr. Cecile in item III. At the November meeting of the Academic Council, President Golding reported on the status of the community college or branch campus for the Piqua area. (Dr. Cecile was reported in the press to have said that if they don't pass the levy there is a good possibility there won't be a branch campus.) The President indicated that Dr. Cecile was in no position to make the statement since the decision is made by the Board of Regents.

- III. Report of the President, Mr. Spiegel reporting for the President
  - A. The President met with the Steering Committee to determine the best method of advising Faculty about the appropriations bill. Excerpts are to be published and then an open meeting will be held to discuss the subject.
  - B. A report to the Provost has been made on an extended Honors Program. This will be distributed for consideration by the Academic Council.
  - C. Mr. F.A. White presented an explanation of the proposed September 15 date to begin the Academic Year. The problem began with Federal regulations which prevent a full quarter's payment for the period between June commencement and September 1. Changing the date to begin year on September 15 would correct this. Other options are available such as a three quarter contract. Alternates will be considered. No change in pay dates is anticipated.

The quarter begins for Faculty on the date set by the Dean.

2. Pay period remain same but begin academic year on September 15.

\*received most support

D. Attention was directed to the Report of the Faculty Advisory Committee to the Board of Regents (see Attachment A).
