Present:

Absent:

Mr. Murray welcomed new member Nelda Martinez, School of Nursing student, to the Academic Council. He also welcomed Dennis Ratliff, Western Ohio Branch Campus, who attended in place of A. Kader.

II. Minutes of the November 1, 1976, meeting were approved by voice vote, without correction.

III. Report of the President, Mr. Murray reporting for Mr. Kegerreis.

Mr. Murray reported that the Library Search Committee had completed its task and that a University Librarian had been appointed. Mr. Ritchie Thomas, former head librarian at the American University of Beirut, will be joining us on a part-time basis December 11 and on a full-time basis January 1, 1977.

IV. Report of the Steering Committee, Mr. Graham reporting.

At the General Faculty Meeting on November 16, the constitutional amendment to add another student to the Academic Council was withdrawn. It was determined that Graduate Studies should not have a representative on the Academic Council; therefore, this position of student representation was given to a student from the School of Nursing. This decision was based on the Student Constitution which reads as follows:

"The Student Caucus, as established in Article II, shall provide in its bylaws for the apportionment of student seats on the Academic Council (other than the at-large seat) among constituencies designated in a manner consistent with the constitution and bylaws of the Academic Council."

Mr. Graham presented and discussed the proposed changes to the Student Constitution, which were approved by the Academic Council.

V. Other Business

A. Discussion of the budget for the upcoming fiscal year.

B. Approval of the hiring of a new full-time faculty member in the English Department.

C. Approval of the proposed changes to the course catalog for the next academic year.

VI. Adjournment

The meeting adjourned at 4:45 p.m.
The only other item of business was a request from the Steering Committee to suspend the rules for two items of New Business, Item B., and Item D.

V. Reports of the Standing Committees:

A. Curriculum Committee, Mr. Neve reporting.

The Curriculum Committee is attempting to develop a more practical and useable "course-change form." The committee has also approved the Articulation Agreement between Wright State University and Southern State College. This agreement is being sent to the Steering Committee in order that it might be approved by the Academic Council.

B. Faculty Affairs Committee, no report.

C. Library Committee, Ms. White reporting.

The committee is continuing to evaluate the new approval policy of acquiring books and to look into the Friends of the Library Support Group.

The committee has been involved in the search for the University Librarian and is now involved in a search for the Assistant Dean of Technical Services.

The students are conducting a survey on library hours and later there may be a larger survey concerning library policies in general.

D. Student Affairs Committee, Mr. Sayer reporting.

The University Student Affairs Committee met twice since the council's last meeting, November 4 and November 18. The committee met with Tom Keller, Phil Rizzo, and Ron Frommeyer concerning the student survey as to the possibility of the university switching from the quarter system to the semester system. A great deal of interest was expressed by the committee. The committee expressed itself quite plainly that it would like to put specific input into any type of decision the university might make concerning the change from quarter to semester. There will be further studies on this change unless this survey shows an overwhelmingly negative attitude expressed by the students.

E. Undergraduate Petitions Committee, no report.
