IV. Report of the Steering Committee:

A. As Chairer of the Faculty Fringe Benefits Committee, Donald Pabst announced that the Committee has completed its work and has distributed a three page report to all members of the University Faculty. Open hearings will be held on March 5, 6, and 7.

Concerning House Bill 629 (STRS Pick-up), the legislation is now in the House Health and Retirement Committee. Vice-President Kirk, David Atwater, Rich Johnson, himself, and others in the administration are assisting the Office of the President in supporting the bill. The bill would permit all Ohio Retirement systems to "pick-up" the employee contribution and permit the systems to include the pick-up in the computation of "final average salary" for benefit determination. Although they are optimistic about passage of the bill, it appears that the legislation process might be lengthy.

C. Library Committee: No report at this meeting.
D. Student Affairs Committee: Creighton rneips reported on a proposal, distributed to the Academic Council and Executive Officers, to reorganize and reconstitute the University Appeals Board, Charter for the Appeals Board. The board shall hear appeals in cases concerning: "1) sanctions from disciplinary action of the Office of Student Development; 2) sanctions imposed for academic dishonesty or misconduct; and 3) grade appeals. Grounds for appeal include: unfairness in grading procedures; unequal treatment; deviation from procedures outlined in syllabus." Individuals who wish to review the document may get in contact with him at extension 2547, 042 Biological Sciences Building. Open hearings will be held March 6, 1980 from 12 - 2 p.m. in the University Center, Room 041 and on March 10, 1980 in Room 155C.
