VIII. Announcements and Special Reports:

A. J. Sayer stated: "Although this is not part of the specific academic enterprise, it certainly has to be and should be so noted in the minutes of this meeting that everyone connected with Wright State University has to have a great deal of pride and relief at finally being able to open the Dayton Daily News and see something like this:

'SUCCESSFUL RAID AT THE ARENA.

WRIGHT STATE OVERCOMES SLOW START, TOPS UD 101-99.

Wright State finally broke a huge basketball barrier Saturday night. The Raiders, who have been playing in the giant shadow of the University of Dayton Flyers for 20 years, leaped out of that shadow with a stunning 101-99 upset of the Flyers before a capacity crowd of 13,511 at the UD arena.....'"
B. **College/School Guidelines for Salary Inequity Appeals Process.** Reminder: Per memo from Vice President Charles Hathaway, dated January 3, 1990, each college/school is required to establish a procedure for considering a salary inequity grievance, if such a procedure is not already in place within the college/school. After establishing such a procedure, all faculty in the college/school should be informed of the procedure. This process should be initiated by no later than the end of May, if at all possible. This will be discussed at a meeting of the deans in the near future to create uniform policies throughout the various colleges and schools. For those who already have a policy in place, a copy is to be forwarded to Vice President Hathaway.

C. **Next Academic Council:** February 5, 1990, 3:10 p.m.
