GENERAL FACULTY MEETING  
WINTER QUARTER  
FEBRUARY 21, 1979

I. The meeting was called to order at 3:37 p.m. by the Vice President of the University Faculty, Mr. Joseph Castellano.

II. The Minutes of the Fall Quarter Faculty Meeting, November 14, 1978, were approved as written.

III. A. Report of the Steering Committee:

The Steering Committee has been reviewing whether the current approach to budgetary review should be continued and the Committee has not yet reached a decision. The Steering Committee and Budgetary Review Committee will meet February 28 to come up with a recommendation that will be made to Academic Council at the March meeting.

The Steering Committee has agreed tentatively on some points:

1. The Committee believes that the future direction of budgetary review will be impacted by the appointment of a new Executive Director for Planning and Budget. James Sayer, Vice President-elect and member of the Budget Review Committee, will represent the Steering Committee in that search procedure.

2. Faculty input in the planning process is an essential ingredient in our budgetary review effort.

3. The Committee structure with respect to budget review may have to be modified in order to take into consideration the multi-faceted aspects of budget review. At the present time, we are confronted with the problem of having to review new proposals, new positions and at the same time review existing programs with respect to whether funding should be increased, maintained or reduced.

   For example, it may be necessary to set-up several subcommittees that would begin to specialize. In short, what has been agreed on tentatively is that we should not only have continued faculty involvement of budget review, but in a form that will insure that we will be able to make the best possible input in that process.

B. Report of the President:

Mr. Kegerreis announced to the faculty he has just been informed that the basketball team had been selected to participate in the N.C.A.A. Division II tournament and Wright State has also been selected to host the Great Lakes Regional Tournament on March 2 and 3.

Mr. Kegerreis amplified the significance of the recent North Central Association's accreditation visit. The accreditation team's charge was to determine whether the University was ready to offer programs on the doctoral level, particularly in bio-medical science and psychology. The team was supposed to report on the maturity of our University and on the readiness of the faculty and the institution to continue to operate on a certain level of quality without continued or frequent evaluation by North Central. At the present time, the University has not received a report from North Central, but we are optimistic.
Mr. Kegerreis then reported on the reorganization plan of the University. He introduced three new presidential advisors: Dr. Peter Carusone, Dr. Kanti Kotecha and Dr. Sam Coleman. He, also, introduced Dr. Emil Kmetec, Assistant Vice President for Academic Affairs and Dr. Robert Pruett, Assistant to the Vice President for Student Affairs.

Mr. Kegerreis, also, informed the faculty that the University is currently conducting nationwide searches for the Executive Director for Planning and Budget in the Office of the President and the Vice President for Administration. The faculty who have nominations for the position of Vice President for Administration should submit them to the chairer of the committee or to the President.

Also, if any faculty have specific notions about criteria for the position, emphases that you want recognized, there is no question that any suggestions would be appreciated.

Mr. Kegerreis reported that we may have a deficit as much as $750,000 if the present expenditures planned for the next fiscal year are compared to the subsidy income projected by the State.

He, also, reported that beginning with the fiscal year 1979-80, the University has decided to ahead and "pick-up" the 8 1/2 % retirement pay that the faculty are now paying.

A secret ballot for the approval of the resolution to be placed on the agenda was as follows: 136 yes 99 no 2 abstentions
