This Syllabus is brought to you for free and open access by the College of Engineering and Computer Science at CORE Scholar. It has been accepted for inclusion in Computer Science & Engineering Syllabi by an authorized administrator of CORE Scholar. For more information, please contact corescholar@www.libraries.wright.edu.
Course Description
This course is the second in the three course sequence “Introduction to Computer Science” offered by the Computer Science department, WSU. Concepts introduced in CS 240 are developed in greater detail and depth with the Java programming language. Topics include object oriented programming, basic sorting algorithms, recursion, graphics, development of user interfaces and exception handling. Student must register for one lecture section and one lab section.

Prerequisite: CS 240

Instructor
Dr. Haiyun Bian
Office: 450 Russ Engineering Center
Phone: 937-775-5096
Office Hour: T: 3:00p.m. – 4:00 p.m., or by email appointment
Email: haiyun.bian@wright.edu

Textbook

Environment
Netbeans 5.5 and JDK 6.0

Grading
Programming assignments: 30%
Laboratory exercises: 20%
Two Examinations: 25% (Exam1: in 4th or 5th week; Exam 2: in 7th or 8th week)
Final exam: 25%

The basic scale is: A:90-100, B:80-89, C:70-79, D:60-69, F:0-59
No late projects or laboratory exercises will be accepted. Partial credit is available so always submit the work you have completed on the assigned due date via WebCT.

Policy
- I encourage working with other people on the course concepts, but all your programs must be your own; sharing of program code will result in a grade of “zero” for all those involved; official university policy will be followed in case of academic dishonesty.
- Start early on projects and labs! Do not attend the labs empty handed!
- It is your responsibility to check WebCT regularly for announcements and materials for this course
- No make-up exams unless verifiable emergency
- You can reach me a number of ways. Email is the best as I check it several times a day. You may also stop by my office during office hours or by appointment.
